

# Season 1

## Round 2 (1.2) Results pack

### Notes:

- SRAC virtual Race 5 has been renamed Season 1, Round 2 (Virtual Race 3, was renamed Season 1, Round 1)
- All SRAC virtual races from now on will be part of the League
- We're working on a page for the [SRAC website](#) this will show all of the results and the table soon.
- Age Grading % (AG): you will see a lot of reference to this, it's the main way we're ranking race results and the league scores, if you aren't sure what means check out the [explanation and details of how the scoring works here](#)
- If your time is a wee bit quicker or slower then you expected it will probably be because we have rounded your distance up or down to the race distance.
- Also, we are using 'Elapsed times' rather 'Moving times' from Strava/Garmin.
